DOZEN SHOTS FIRED IN THE STREETS OF BELFAST

Great Britain by a basic payment to American ship operators to cover the general wage and ubsistence differential between the ships.

Making available a portion munerative fund of about \$8,000,000 per annum for encouraging construction of

Enucouragement of special services and new routes through nominal bare boat charters, operation under managing operators contract, until private capital is available, and through bids for the op-eration of prescribed routes and services. Customs receipts and tonnage taxes form the main support of the direct aid suggested. From the estimated income suggested. From the estimated income from customs receipts for 1922-23, about \$330,000,090, 19 per cent. sr \$30,000.
000 would be set aside as a special fund for paying remuneration to American ships on a basis to be adopted. Augmenting this fund there would be the report states, on tonnage taxes diffected in American parts from all ships, both American and foreign; this tax estimated at \$2.000,000 under present conditions.

measure are made effective. LEGISLATIVE MATTERS TO COME BEFORE CONGRESS

Washington, Dec. 26.-Legislative plans for the present session of congress call for the enactment of bills to encourage the merchant marine, to provide some sort of bonus payment to former services men, enact permanent tariff schedules, and provide the regular appropriation; which sustain the government. Representative Mondell, republican house leader, said today of leaving the White House after a conference with President Harding.

Harding.

There are no definite proposals on the merchant marine or soldlers' bonus which can be said to have the approval of the majority at this time. Mr. Mondell said, majority at this time, Mr. Mondell said, but the outline of subjects to be taken up includes both matters. Every endeavor will be made in the house, he added, to have all the appropriation bills, which criminates

added, to have all the appropriation bills, which originate there, enacted by April 1st, so as to give the senate time to conside rihem on final passage and adjourn the congress in June.

The question of finding the sources for funds with which to pay the soldiers bonus, the house leader asserted, was the chief stumbling block of proposals for such a bill. Enactment of such a measure, he added, would probably require simultaneous creation of a special tax to meet the outlay. Mr. Mondell said he did not discuss with the president the did not discuss with the president the "remuneration plan-" for subsidizing merchant ship operation, and on would be reat
